INVITATION FOR NEW SOURCE DEVELOPMENT AND VENDOR REGISTRATION IN MSF

Advertisement No. ORDFYS/MSF/CPPP/Vendor Registration/17(3)/PV-1 Date: 05-07-2017

The General Manager, Metal & Steel Factory, Ishapore-743144 on behalf of President of India invites application from interested vendors (Manufacturers or their authorized dealer/distributor/stockist) for vendor Registration and New Source Development for the List of Items as given in the OFB website <http://ofb.gov.in>. The web site can also be accessed directly through <http://ofb.gov.in/vendor>.

1. All vendors who are interested for vendor registration for the listed items should apply online by visiting the above websites and clicking the link 'Online Vendor Registration' after enrolment. Tender for new source development shall be issued to vendors with valid registration excluding the established suppliers without resorting to a separate advertisement.
2. a) Only manufacturers or their authorized dealer/ distributor/ stockiest of the listed items are eligible to apply.
b) A formal intimation regarding request for registration should also be given in e-mail id: msfpvl.ofb@gov.in
3. Non-refundable assessment fee of Rs. 2000/- for small scale industries and Rs. 5000/- for medium and large scale industries should be submitted as per the provision provided in the website itself. No manual submission of assessment fee is acceptable. Applications without the assessment fee will not be processed.
4. Initial Assessment of all applications will be carried out based on the documents submitted and data filled in by the firms. Only those Firms who qualify in the initial assessment and capacity verification shall be issued Vendor Registration Certificate valid for 5 years. Subsequent Source Development Open Tender Enquiry (SDOTE) will be issued to the registered vendors only for new source development. (Please note that SDOTE will be issued for 50% of annual requirement for new source development).
5. Vendors who are registered with any of the Ordnance Factories for any specific item/Process will be considered as registered with MSF for those items/Processes. However if the firm wants to register for other items / process other than those mentioned in their registration certificate, they need to apply afresh through online.
6. The vendors who are registered for the same item with DRDO, DPSU or other units of MOD also need to apply through online for vendor registration. Such vendors will be registered based on the information provided by them and capacity verification to be carried out, if required, as per the decision of evaluation committee.
7. Vendors who are established with MSF or any other Ordnance Factories for these items but do not have valid registration certificates are also required to apply for vendor registration.
8. The vendor whose registration with MSF is likely to be expired may also apply online for renewal of their registration within the specified timeframe as mentioned in their registration certificate.
9. The vendors whose registration with MSF has lapsed may also apply for fresh registration through online only.
